FOOD CONTROLLER"

FFICE OF THE FOOD CONTROLLER
IN MYSORE,

galore, 18th February 1919.

My dear Balasundara

The notification appointing me as Director of Civil Supplies was received to-day. I am taking over charge from Mr. Ranganatha Rao Saheb at 5 o'clock this evening. When I saw the Dewan two days ago, he appeared to think that the arrangements for fuel supply may remain in the hands of the Deputy Director of Commerce. But, fuel is a controlled commodity in the same way as kerosene oil, salt and food grains. I request that specific orders may be kindly issued as to the branches of work in addition to food grains which I should take charge of. In view of the instructions of the Dewan, I have asked Mr. Ranganatha Rao Saheb to continue to be in charge of the fuel business pending the orders of Government.

Mr. Muddukrishnappa has, I understand, been appointed not only Assistant to the Director of Civil Supplies, but also Assistant to the Deputy Director of Commerce. He is coming over to me with the entire staff of the Director of Civil Supplies in anticipation of orders of Government cancelling his appointment as Assistant to the Deputy Director of Commerce.

Yours sincerely,

Proceedings of the Government of H.H.

the Maharaja of Mysore.
